I would have to check with NMED's counsel since this is a state case and EPA is not a party to the case. I'll ask James to contact New Mexico. Thanks.

Hi Ruben,

Mike Koerber was asked today about the status of the NM suit of Santa Teresa, NM Sterigenics facility. We heard that something may or may not have happened last week. I let Mike know that I'd reach out to you to check.

We'd approach any information.  
Thank you,

Amy
